WETLAND RESTORATION WORKSHOP

NOVEMBER 15, 2011 (TUES.), 8:00 a.m. – 5:00 p.m.

LOCATION:

Hollingsworth Auditorium, UTK Ag Campus

Instructed by:

Thomas R. Biebighauser

Wildlife Biologist

Center for Wetlands and Stream Restoration

U.S. Forest Service

This day-long seminar will present practical instruction in wetland restoration techniques. Participants will learn how to identify drained wetlands, select sites for building wetlands, and how to restore them. Biebighauser will give presentations (8:00 am to noon) and lead a field trip (1:00 to 5 pm) to wetlands near the University of Tennessee.

For the field trip, please:

- **Bring a bag lunch.**
- **Wear field clothing.**
- **Be prepared for cold and rain.**

Transportation Provided
for Field Trip

Please RSVP:

Dr. Matt Gray

mgray11@utk.edu

Tom Biebighauser has restored over 1,400 wetlands in 18 States and 2 Canadian Provinces. He instructs Hands-on Wetland Restoration Workshops across North America and has received National Awards for his contributions to wetlands and their restoration.
