

Common Southeast Wetland Plants

WFS 340

Common name ^{1,2}	Scientific name	Benefit to Waterfowl
alligatorweed	<i>Alternanthera philoxeroides</i>	No
giant cane	<i>Arundinaria gigantea</i>	No
bearded beggar tick	<i>Bidens aristosa</i>	Seed
nodding beggar tick	<i>Bidens cernua</i>	Seed
watershield	<i>Brasenia schreberi</i>	Inverts
balloon vine	<i>Cardiospermum halicacabum</i>	No
hop sedge	<i>Carex lupulina</i>	Seed
coon's tail	<i>Ceratophyllum demersum</i>	Aquatic Vegetation, Inverts
redroot flatsedge	<i>Cyperus erythrorhizos</i>	Seed, Tubers
chufa flatsedge	<i>Cyperus esculentus</i>	Seed, Tubers
common barnyardgrass	<i>Echinochloa crusgalli</i>	Seed
Walter's millet	<i>Echinochloa walteri</i>	Seed
water hyacinth	<i>Eichhornia crassipes</i>	No
needle spike rush	<i>Eleocharis acicularis</i>	Browse, Seed
jewelweed	<i>Impatiens capensis</i>	No
common rush	<i>Juncus effuses</i>	Seed
rice cut grass	<i>Leersia oryzoides</i>	Seed
common duckweed	<i>Lemna minor</i>	Aquatic Vegetation, Inverts
sprangletop	<i>Leptochloa panacea</i>	Seed
cardinal flower	<i>Lobelia cardinalis</i>	No
seedbox	<i>Ludwigia alternifolia</i>	No
purple loosestrife	<i>Lythrum salicaria</i>	No
yellow water lily	<i>Nuphar advena</i>	Inverts
American white water lily	<i>Nymphaea odorata</i>	Inverts
fall panicum	<i>Panicum dichotomiflorum</i>	Seed
knotgrass	<i>Paspalum distichum</i>	Seed
water knotweed	<i>Polygonum amphibium</i>	Inverts, Seed
swamp smartweed	<i>Polygonum hydropiperoides</i>	Inverts
Pennsylvania smartweed	<i>Polygonum pennsylvanicum</i>	Inverts
arrowleaf tearthumb	<i>Polygonum sagittatum</i>	No
horned beakrush	<i>Rhynchospora corniculata</i>	Seed
sugarcane plume grass	<i>Saccharum giganteum</i>	No
broadleaf arrowhead	<i>Sagittaria latifolia</i>	Tubers
wool grass	<i>Scirpus cyperinus</i>	Seed
softstem bulrush	<i>Scirpus validus</i>	Seed, Tubers
river hemp	<i>Sesbania exaltata</i>	No
green bristlegrass	<i>Setaria viridis</i>	Seed
American bur reed	<i>Sparganium americanum</i>	Seed
broadleaf cattail	<i>Typha latifolia</i>	Cover
cocklebur	<i>Xanthium strumarium</i>	No

¹Need to be able to identify pressed herbarium specimens.

²Need to be able to spell correctly either the entire common or scientific name.
