

FOR 512, WFS 512, AND FWF 612
GRADUATE SEMINAR IN FORESTRY, WILDLIFE AND FISHERIES
Fall 2018

FWF Facilitators: Drs. Matt Gray and Charlie Kwit
Phones: 974-2740 (MG); 974-9793 (CK)
Offices: 247 Ellington PSB (MG); G51C McCord (CK)

Website: <http://fwf.ag.utk.edu/mgray/wfs512/512home.htm>

Meeting Time & Place: Wed, 12:20 – 1:10 p.m., 160 Plant Biotechnology Building

Course Goal: To provide an opportunity for forestry, wildlife and fisheries graduate students to practice delivering professional presentations and to increase opportunities for graduate students, faculty, and staff to interact.

Expected Outcomes: Students will develop skills in constructing and delivering PowerPoint presentations and in answering questions related to their graduate research and natural resource principles, concepts and issues.

Weights of Academic Assessments: *(one credit course)*

- Presentation 85%
- Participation 15% (1.15% per seminar, 29 Aug – 21 Nov)

Your course grade will be determined using the following scale:

Grade	Final Weighted Percent		Grade	Final Weighted Percent
A	90–100%		B	80–86%
B+	87–89%		C+	77–79%

Tentative Schedule:

- 22 Aug = Introduction
 - Assignment = View Two Instructional Videos on First Seminar Presentation Requirements and Slide Quality
- 29 Aug = Critique and Discuss Former Presentation (First: Proposed MS/PhD Research)
 - Assignment = View Instructional Video on Second Seminar (Contemporary Topic) Presentation
- 5 Sep = Critique and Discuss Former Presentation (Second: Contemporary Topic)
 - Assignment = View Instructional Video on Second Seminar (Research) Presentation
- 12 Sep = Guest Presenter
- 19 Sep = Critique and Discuss Former Presentation (Second: Research)
- 26 Sep = Guest Presenter
- 3 Oct = Graduate Student Presentations
- 10 Oct = Graduate Student Presentations
- 17 Oct = Graduate Student Presentations
- 24 Oct = Graduate Student Presentations

There will be a maximum of 1 guest speaker or 2 students presenting per seminar

Enrolled students must sign up for a presentation date on **29 Aug** and provide a draft presentation title by **26 Sep**.

- 31 Oct = Graduate Student Presentations
- 7 Nov = Graduate Student Presentations
- 14 Nov = Graduate Student Presentations
- 21 Nov = Graduate Student Presentations
- 28 Nov = Graduate Student Presentations – *only if needed*.
- 6 Dec (Thurs; 2:45 pm – 4:45 pm) = Graduate Student Presentations – *only if needed*.

Participation Policy

- (1) Attendance is mandatory for all **enrolled students** every time seminar meets, starting on 29 Aug. Your final grade will be reduced 1.15% for each unexcused absence (note: final percentage per seminar may change depending on total number of presentations). Up to **3 excused absences** will be permitted. In general, excused absences include illness, death in family, attending a professional conference, and occasionally research. Excused absences do not include research that could be planned for a different time than seminar.
- (2) Attendance is mandatory by all **students not enrolled** that are pursuing a graduate degree in Forestry, Wildlife and Fisheries, or Natural Resources during guest and graduate student presentations. A tally of attendance will be distributed to the department chair at the end of the semester.

Presentation Policy

Students are required to present on their sign-up date. Failure to present on this date will result in a 10% reduction in your final grade. Students are permitted to switch presentation dates with others without a penalty; however, Dr. Gray must be notified ≥ 7 days prior to the presentation date.

Presentation Requirements:

- A) First Seminar (Type I):
 - (1) Oral presentation using PowerPoint on your proposed M.S. or Ph.D. research.
 - (2) Required Components: Introduction and Justification for Research, Objectives, and Proposed Methods.
 - (3) Your presentation can include preliminary results but they are not required and will not be graded.
- B) Second Seminar (Types II and III):
 - II. Oral presentation using PowerPoint on results from a side study or a portion of your UT graduate research that will not be presented during your defense. The required components for this presentation are: Introduction and Justification for Research, Objectives, Methods, Results, Discussion of Possible Mechanisms Influencing Results, and the Applied or Theoretical Implications of Results.

OR,

 - III. Oral presentation using PowerPoint on a contemporary natural resource topic (e.g., impacts of climate change on wildlife, environmental impacts of hydraulic fracturing, limitations of biofuel production, promoting invasive species for economic development, spread of white-nose syndrome in bats, hierarchical modeling). This presentation should be given in lecture (topic-review) format.

Presentations must be 15-20 minutes. Five minutes will be allowed for questions.
